Tuition Payment

Since the school has a financial obligation to its employees, students are considered enrolled for the entire school year. Tuition is calculated on the basis of the entire year; therefore, no reductions may be granted for days missed. No deductions will be made for tuition during the school year, regardless of the cause of such absence. If a student enters after the school year has begun, charges are pro-rated according to actual number of days enrolled. All accounts should be paid in full at the end of the school year to receive report cards or transcripts. No school records will be released for any student when there is a balance owed on the student's account. Postdated checks are not accepted for the purpose of releasing records.

Discipline

I understand that sending my children to Lakewood Christian School is a privilege and not a right. The goals of the school are not to reform, but to train Christian youth to the highest principles of Christian leadership, self-discipline, individual responsibility, personal integrity, and good citizenship. I believe that discipline is necessary for the welfare of each student, as well as for the entire school. I give permission for my child's teacher and/or other agents of the school to make and enforce classroom regulations and school policies in a manner consistent with Christian principles on discipline as set forth in the Scriptures and the school handbook. This may include such measures as instruction, exhortation, correction, rebuke, and corporal punishment (with parent permission). Corporal punishment is only used after other methods have failed. Corporal punishment is administered only by the principal or superintendent and witnessed by a staff member.

I do give permission for corporal punishment: YES NO

Physical Education

I give permission for my child to participate in physical education fitness activities. If my child becomes physically unable to participate, it is my responsibility to notify the school in writing. Medical examinations are the prerogative and responsibility of the parents and encouraged by Lakewood Christian School for grade levels six (G6) and below. Lakewood Christian does not provide or require physical examinations prior to physical education classes; however, beginning in grade seven (G7), all participants in organized sports will be required to undergo a physical examination due to the strenuous nature of the conditioning of such athletic programs. A physical release from a doctor must be on file in the school office before the student may participate in any athletic competition including practices.

All locks placed on lockers must have the combination registered with the school office prior to placement. Lockers are not to be used until assigned by the homeroom teacher and the locker agreement is signed by the student.

Statement of Faith

I fully realize that a Statement of Faith is the foundation upon which Lakewood Christian School is built. I realize admission depends upon the belief that the Statement of Faith is the foundation of our educational system. I realize that my participation in school events, functions, and athletic contests is a witness to others. I agree to represent Christ and Lakewood Christian School in a manner worthy of the name of Jesus Christ.

- We believe the Bible is the inspired and only infallible authoritative Word of God (II Timothy 3:16).
- We believe that there is one God, eternally existent in three persons: Father, Son and Holy Spirit (I John 5:4-6).
- We believe in the deity of our Lord Jesus Christ, in His virgin birth, in His sinless life, in His miracles, in His vicarious and atoning death through His shed blood, in His bodily resurrection, in His ascension to the right hand of the Father, and in His personal return in power and glory (I Corinthians 15:3; I Peter 2: 21-24; and John 3:16).
- We believe that for salvation of lost and sinful man the acceptance of Jesus Christ as Lord and Savior by faith is absolutely essential (Romans 3:21-30; Galatians 4:7).
